

Inclusion Warm Line Services

Florida Statute 402.3018 mandates the provision of a toll-free number to provide assistance and consultation specifically to child care personnel regarding the inclusion of children with disabilities and special health care needs. This number is known as the "warm line" and is available to child care centers and family child care homes requesting information relating to the disability and special health care needs of the children they are serving. Contact the Warm Line at **1-866-797-9444**.
