

Mobile Outreach Van

- ★ **The Mobile Outreach Van** is a mobile library filled with books, toys, and teacher resources for promoting early literacy in young children. The van visits over 300 child care providers in Pasco and Hernando Counties to provide classroom resources. This free service gives early educators the opportunity to check out materials to encourage children to learn through play.
- ★ Our Mobile Outreach Specialists bring the van to community events in Pasco and Hernando Counties in order to promote VPK and School Readiness services as well as early childhood literacy. Thousands of books have been distributed through the Mobile Outreach Van at community events.
