

# Professionalism in the Early Childhood Setting

Register online at [www.phelc.org](http://www.phelc.org)

The first step toward being a professional is... defining yourself as a professional. This 3 hour training will build a foundation of professionalism in the Early Childhood setting. Participants will: Focus on integrating high quality standards and practices into the development, implementation, and management of programs serving young children and their families; Demonstrate commitment to acquiring and maintaining current professional knowledge and ongoing professional development; Advocate high quality early childhood care and education programs that serve young children and their families; and Define ethics within a childcare profession. Join us in a journey of dedication and development as we define ourselves as professionals. CEU's are available with this training.
