

Engaging Children through Process Art (Part II)

Exciting Training!
Register at www.phelc.org

Why is art such a great teaching tool?

Art engages children's senses in open-ended play and develops Cognitive, Social, Emotional and Sensory Motor skills. Children enjoy engaging in art experiences and activities. Preschool teachers will experiment with hands on process art activities and develop techniques to integrate art in the classroom through Literacy, Math and Language activities.

**Thursday, June 28, 2018:
ELC Spring Hill Office
6 p.m. to 9 p.m.**

OFFICE OF

Early Learning

LEARN EARLY. LEARN FOR LIFE.
