

# Early Mathematics for Early Learners: Making Sense of Sets and Numbers

## VPK Math 1

Register at [www.myflorida.com/childcare/training](http://www.myflorida.com/childcare/training)

# Florida VPK

This instructor-led course is appropriate for directors and teachers of 4 and 5 year old children. Course participants will gain early math knowledge and practical information about how to structure the classroom environment and plan activities to integrate math concepts and skills throughout the learning day. The course focuses on the mathematical thinking number sense standards outlined in the Florida Early Learning and Developmental Standards for Four-Year-Olds (2011) and the importance of using a developmental progression when teaching math throughout the day. The pictures and videos presented will also demonstrate best practices for instruction of the mathematical thinking number sense standards outlined in the Standards for Four-Year-Olds. This course will show on your transcripts and you will receive . 3 hours;0.3 CEUs. You must register on the DCF website for this training.
