

VPK Math 3 and 4

Choose October 23rd or October 24th

**Location: Pasco County District Offices
Pasco Complex Building No. 2
Land O Lakes, FL**

Course participants will gain early math knowledge and practical information about how to structure the classroom environment and plan activities to integrate math concepts and skills throughout the learning day. Picture slideshows and videos filmed in Florida's early learning classrooms as well as interactive activities will provide examples for how to support children in learning new math skills and using the "language of math". This course is module 3 and 4 of early mathematics courses. 3 hours; 0.3 CEUs.

You must register on the DCF website for this training.
